## Guys vs Dolls—Who Was the Winner?

Marilyn Butters

OMG—who could not love the music and fun competition at the annual Gala? How to pick a favorite song or side--?!!--more like choosing a favorite act as the event felt more like viewing a well-staged musical.

Beginning the evening with the beautiful sounds of “Sure On This Shining Night” and “Bring Me Little Water, Sylvie” by small ensembles set the stage for what one may have thought was to be an evening of romantic ballads and folk tunes...well, think twice!!!

Who could not love the battle between young singers Winston Perry and Evelyn Detar confidently pelting out their loathing in “What is this Feeling?” from *Wicked*...and the ladies singing the popular “Happy” tune - made even more fun with the addition of costume props - it was easy to see the crowd wanted to get on their feet and swing along! How about the men’s clever rendition of

“Star Wars” ? Perfect! You had to love “The Beer Hymnal,” complete

# From the Chairman of the Board

Greetings from the Big Chair. It is with bittersweet memories that the SRCS performed what we expect be our last gala at the UMW Secobeck Banquet Hall. We have had 13 galas to date and all but 2 have been performed here. Guest and singers had a fabulous night and it was our most profitable to date - raising over \$5000 to go towards scholarships and general operating expenses. A typical concert will cost between \$3000 and \$5000 - so the galas are one of the main sources of income for supporting our missions throughout the rest of the year.

There were many fond memories of gala night - John Schumaker's awesome game show spinner, our MC extraordinaire - Mike Dudley, a spirited competition between the guys and the gals, having long-time singer and board member, Kevin French, and his wife Betty travel from NC to be a part of the evening, and awarding a merit scholarship to Pamela Abel who has sung with us since she was 13 (we even made mama Dawn tear up!).

This year we were able to feature our 2016 instrumental scholarship winner, Rachel McGee, on the trumpet. It was kismet that Rachel was one of our winners - 10 years previously she attended our 2006 gala, *A Taste of Jazz*. Pictured here is

Rachel dancing with her dad. In the background is our men's director, Kevin Perry, holding baby Benjamin.

## 2016 Event Report

Thanks a Million to each of you who donated to the Stafford Regional Choral Society during the Community Give event on May 3<sup>rd</sup> ... and 4<sup>th</sup>. In spite of website problems on May 3<sup>rd</sup> SRCS donors were able to give \$850 during the 36 hours the website was open on May 3<sup>rd</sup> and on the extended day of May 4<sup>th</sup>. SRCS donations were part of the \$1.1 million raised by 182 non-profit organizations in the 5-county region. Your gifts to SRCS will help us continue to provide quality music to the community and scholarships to talented high school graduates with musical interests as they continue their education. Thanks again!

*Joan Norvell and John Schumaker, SRCS Community Give Coordinators*

# Director's Notes

## Artistic Director

*Barbara Perry*

Hi Everyone,

I hope you are all doing well! We had such a wonderful Gala in May and I really appreciate all of you who came out to sing and watch. I am so sorry that the guys had to lose in the Battle of the Choirs but they took it well. ☺

This summer is very nostalgic as we wrap up our 15th year of the Society. In 2001, our very first concert outside of the *Messiah* was Patriotic, and then we revived it with a concert for 9/11. This may have been our most poignant concert. So now, fifteen years later, we come back to our roots. This concert of Patriotic Music is the perfect start to the next 15 years! We will sing a bit of 1940s USO style, followed by a patriotic section. You won't want to miss *Boogie Woogie Bugle Boy*, *Knock me a Kiss* or the *Battle Hymn of the Republic*.

See you in July!

*Barbara Perry*

## SoundCHECK Director

*Kevin Perry*

There is something about a cold, raw Saturday afternoon that just attracts SoundCheck and inspires the group to sing. That was exactly the case two years ago when the group performed in single-digit temperatures for the celebration of Stafford County's 350<sup>th</sup> Anniversary at Stafford Marketplace. The group reprised their arctic performance swagger in late May when they sang a full concert for the Fredericksburg Relay for Life benefiting the American Cancer Society. With temperatures hovering in the low 40s and the skies alternating rain and drizzle, SoundCheck singers entertained relay walkers, supporters, and event staff.

*"We tried to present a program that acknowledged the incredible courage and accomplishment of the cancer survivors in the audience,"* explained Kevin Perry, SoundCheck's director. The group sang "The Spirit of Adventure," "1000 Beautiful Things," and "Sure on this Shining Night" as part of their program. SoundCheck followed that performance with one at American Legion Post #290 for a veterans luncheon on Memorial Day. The group ended its performance with "Battle Hymn of the Republic," "America the Beautiful," and "God Bless the U.S.A."

*"This audience is always appreciative of the patriotic music,"* said Perry. *"And it is humbling to receive a standing ovation from them."* The group received two standing ovations at the end of the program.

SoundCheck will next perform with the Stafford Regional Choral Society during the upcoming summer concert at St. Peter's Lutheran Church on July 2<sup>nd</sup>, and at the National Museum of the Marine Corps on July 3<sup>rd</sup>.

SoundCheck is the outreach group of the SRCS, performing throughout the year in our community.

*Wendy Colby, SoundCheck Manager*

## *Love of Singing Leads to Love of Two Hearts*

*Don Spellmann*

Their paths never would have crossed without their mutual love of music and singing. Jenny Bahler grew up in California; Don Spellmann in Texas. Jenny lived in Fairfax Station and drove to work in Old Town Alexandria; Don lived in Woodbridge and took the bus to downtown DC. The story picks up when they both decided to join the New Dominion Choraliers (NDC) in 2012. They first met at a choir social event in the fall of 2013, having only the one passing conversation that season.

Don had started singing with SRCS during the summer of 2013, before meeting Jenny. Don was introduced to SRCS at the Around the World Gala by Wendy Colby whose daughter, Rachel, sang with NDC. After joining SRCS, Don thought he would have to drop one of the choirs due to inevitable scheduling conflicts and overextension. The story for Jenny and Don could have ended right there.

Yet fate had other plans for them. Fortuitously, the NDC and SRCS rehearsals and concert dates never conflicted, and Don continued with both groups. Jenny and Don reconnected during NDC's fall 2014 season, when they happened to join a group of NDC singers at Red Robin after a choir outreach gig in Manassas. Two weeks later, Don introduced Jenny to SRCS at the 2014 Christmas concert.

Their first date was on December 27th, at Occoquan's romantic French restaurant, Bistro L'Hermitage. They intentionally waited until after the SRCS and NDC Christmas concert seasons closed. Okay, not really! That was just another coincidence (though we all know choir commitments come first). Jenny and Don's romance blossomed throughout the spring of 2015. After experiencing the fun and excitement of SRCS's Sock Hop Gala as Don's guest, Jenny decided to join SRCS for the 2015 summer concert. After Jenny and Don both sang for the SRCS and NDC Christmas 2015 concert seasons--showing their shared love of singing--their relationship had become very serious indeed. Don proposed on January 9, 2016 (between the close and start of NDC/SRCS fall and spring concert seasons, of course). Jenny and Don will wed on August 27, 2016 in Rixeyville, Virginia, in a ceremony shared with family and friends and filled with music.

*Jenny and Don,*

*We wish you a lifetime of harmonious happiness!!*

*Love,*

*Your SRCS Friends*

THE WELSH SOCIETY OF FREDERICKSBURG VIRGINIA

(Continued from page 1)

with 'real' beer in those mugs... and the crooning that went along with "Manly Men"? These numbers began to give the male contingent an edge until we recalled the ladies singing "Lime in De Coconut" and "I'll Never Fall in Love Again."

As usual, the directors chose the perfect tune for tying up the evening's event with Gershwin's "Let's Call the Whole Thing Off." "To-may-to/To-mah-to" left the evening a resounding tie between the Guys and the Dolls...thankfully, the musical battle could end with smiles as all singers shared "call the calling off off!"

The clever table centerpieces with black derby hats and bright fuschia bows,

ingenious female and male specialty drinks, a menu that clearly split the taste barrier down the middle, and the fun competition of the themed silent auction items made for a wonderful evening for all in attendance. Don't we all look forward to hearing what next year's theme will be?!

The creative juices of Barbara and Kevin as they plan music to keep guests entertained in such a fun way are gifts to be marveled. How lucky is the Stafford community to have had them for 15 years?!!!

A special thanks to all the singers who devote their time and talents to entertain us, as well as the efforts that go in to gathering auction items and set up, decorating, and tear-down.

Those of us who come are never disappointed and leave wanting more!

*Stay tuned for announcements about the 2017 Gala Benefit! Have a request or suggestion? Send it in - it just might happen!*

For the second year straight, the Stafford Regional Choral Society has been chosen as a recipient of one of the Virginia Commission for the Arts local government challenge grants for Stafford County.

It is a matching grant that leverages County Tourism dollars with matching funds from the Virginia Commission for the Arts. This fall, Stafford County will award the Stafford Regional Choral Society with a check for \$2500. Paperwork has been submitted to the Virginia Commission for the Arts by the county and a matching check for \$2500 is expected next Spring.
